Interview Information

Fill out all information below. Make sure you transcribe every single word the interviewee says under Transcription. NOTE: TRT means Total Running Time, or the total amount of time that the sound bite lasts.

Interview #1	
Name: Tyler Breeze	
Title: Professional Wrestler/Sports Entertainer	
Sound Bite #1	
TRT - 00:25.6	Transcription: "Right now, with the way that everything is... umh... a lot of... uh... a lot of credit is given to Social Media... uh... for making things happen and for keeping things alive and afloat and moving forward. Umh, so, in terms of WrestleMania, and, you know, us either hosting it or, you know, getting something on there... uh, I think Social Media can definitely impact that... umh, and I'm hoping that it does, because that would be awesome."
Sound Bite #2	
TRT - 00:44.5	Transcription: "...Social Media had on our careers, ah, gigantic impact...umh... because... the very first episode of <i>Fashion Files</i> ... umh... wouldn't have gone any further than that if it wasn't the number one trending thing on SmackDown... umh... ahead of everything. So, because it did that... umh... it basically, you know, kept us going for what just turned into eight months or nine months of <i>Fashion Files</i> . Umh, if it wasn't for that, then it probably would've been a one-week thing and then, ah, it would've been gone. So, yeah, gigantic, ah, gigantic, ah, support for us and, you know, from our following... umh, so that was really, really cool. Umh, like I said, you know, it's kind of carrying us along. It carried us along in NXT. Umh, it carries us along now and, ah, really it was the whole reason that <i>Fashion Files</i> was a thing."

Interview #2	
Name: Juana Breeze	
Title: Advocate/Manageress	
Sound Bite #1	
TRT - 00:42.4	Transcription: "The point of my Social Media campaign is to get fans to be more supportive and more active when interacting with Breezango on-line. He has a lot of Twitter followers, a lot of Instagram followers and a suitable following on Facebook, but a lot of people are doing just that, following and not much else. Hopefully, we'll be able to garner more support, get people to be more vocal, take surveys, participate in the polls and let their voices be heard and just... scream at WWE as often as possible to give Breezango a push, to give them more opportunities and to give them some of the chances that they've given a lot of other Superstars over the years. It's their time and they definitely deserve it."
Sound Bite #2	
TRT - 01:08.0	Transcription: "Superstars don't just 'get over' in WWE. It takes a lot of time, a lot of effort, a lot of patience and a lot of hope... but mostly, they need support. Umh, it's okay for Superstars to post on Social Media, but that's really not enough. People have to interact with the posts, you know, like, comment, retweet... tell 'em what you think. You know, if they're doing something wrong, you know, steer 'em in the right direction. It's a lot more than 'point and click,' these days. Umh, if you notice that they don't have merch items, ask the WWE Shop for them, you know? Say, 'I want this hat, I want this mug.' You know, 'why aren't there any Breezango backpacks?' 'Why doesn't Breezango have a jacket?' 'Why doesn't Breezango have long-sleeve shirts?' These are questions you should be asking. Ask and ye shall receive. The squeaky wheel gets the oil. They're not just clichés. They have a lot of meaning and we can make a difference, so get on your computers, get on your tablets, your mobile phones, whatever devices that you've got and make a difference."
